

OMDWA500 - Wall Swing Arm For 42" > 100" Screens

Product Overview

Double swing tilt arm for mounting centres between 100 < 800 horizontally and 60 < 610 vertically.

Suits large TVs, digital signage screens and monitors weighing up to 85kg. Fast install, fully assembled with extensive screw kit.

Applications

These mounts are suitable to be used in the home or in the workplace as they offer a wide range of maneuverability, visibility and ease of adjustment for today's larger screens.
