

Available in 3 sizes

OMDWFSF-42 **42" Size**

OMDWFSF-50 **50" Size**

OMDWFSF-65 **65" Size**

Product overview

Designed and built in NZ for the Hospitality Industry, giving protection against theft, for use in areas of refined décor. Multiple levels of protection are incorporated into this novel low visibility design. Front excursion panels are created to suit individual displays, in colours to suit the surrounding environment.

Specifications

Screen fixing centres are between 200 < 725mm horizontally and 100 < 425mm vertically. Available in 3 sizes: 42", 50" and 65" made to suit any size television
